Marcia Doyle Elected American Club President

Marcia Doyle was recently elected president of the American Club of Brussels for the year 2013 at the Board of Directors' Annual Election Lunch Meeting held on December 17. Marcia has already served as president of the club from 2005 to 2007 and has been on the Board as treasurer since her tenure as president ended.

She moved to Belgium in February 1992 and is Partner in charge of the US tax group of Deloitte based in Belgium. Deloitte is a long time corporate member of the Club. Marcia is actively involved in the American/Belgian community through the ACB, the American Chamber and US Embassy activities. " I look forward to working with the Board this upcoming year in continuing to look at ways the Club can be the 'go to' Club for the international community in Belgium – this is a volunteer club and we need everyone to participate," she stated upon her election.

The Executive Committee will be as follows: Marcia Doyle, President and Treasurer; John Stuyck, 1st VP; Margaret Nicholson, VP; Jo Ann Broger, VP; Robert Rogers, VP; Katherine Woodcock, Secretary; Nick Klenske, VP; and Caroline Moens, VP.

At the meeting sincere thanks was voiced to Past President Margaret Nicholson for her successful three year term as president. Mieke Vispoel, the Club's Office Manager, was also cited for her ongoing support. The Board took leave from two departing members, Nancy Kapstein and William Strickland, and thanked them for their contributions. Nancy will continue to work with ACAB (American Clubs and Associations in Belgium) and we hope for her continued involvement in the Club. Inez Schreiden and Michael Dunhill have also reached the end of their tenure on the Board but have agreed to stay actively involved in Board matters.

A Guided Visit to Dossin Barracks

Join us on Sunday, February 10th, for a guided visit to the Dossin Barracks Memorial and Museum in Mechelen. The Dossin Barracks is a unique place for remembrance in Belgium. As an "SS Sammellager Mechelen" it was literally the antechamber of death for more than 25,000 Jews and gypsies during World War II. This brand-new museum was built in order to explain the historic significance of this location to current and future generations and to visualize themes such as racism, exclusion and human rights. This combination of human rights and the history of the Holocaust in Belgium makes the Dossin Barracks Memorial and Museum an unparalleled monument.

Dine-Out at Le Troisième Acte

Join us for an evening of fine fellowship and great food on Tuesday, February 26 at 7:30 p.m. at Le Troisième Acte, a sophisticated restaurant in the Sablon area.

The design of the restaurant is a classic mix of relaxed and smart, with exposed red brick walls, wooden floors, authentic railway carriage benches, tables from another century, and original art in old gilt frames. The owners-chefs and their culinary team concoct some truly creative gastronomic delights, many with a Mediterranean touch, but also with excursions and explorations into other continents.

American Football in the Capital of Europe

When the Brussels Tigers club was founded in 1998, it only counted twenty senior players. Over the past fifteen years, our football team has significantly developed: there are now about two hundred and fifty members from various cultural backgrounds and countries, including the United States. The current structure of the club has little to do with what it used to be: not only do we now train teenagers in a junior section, but also younger players in a cadet and a children section. A mixed flag football section for members of all ages has also been created and our team has the privilege to be encouraged by its own group of cheerleaders.

The Brussels Tigers club won several championships under the supervision of its two head coaches, Alexandre De Coninck and Pascal DeCoo: the last three LFFAB (Ligue Francophone de Football Américain) senior championships, the fifteenth and the twenty-fifth senior editions of the Belgian Bowl (respectively in 2002 and 2012). More recently, the efforts of our juniors have been rewarded with the title of vice-champions of Belgium. To achieve this, the Brussels Tigers have observed the key principles of this sport: discipline, respect and camaraderie.

Our team warmly invites anyone who is interested in American football to join us and participate either as a member or as a spectator. In season, our team practices two times a week, every Wednesday and Friday from 07:30 to 10:00 PM. For more details, please contact Pascal DeCoo (president@brusselstigers.be), visit our website www.brusselstigers.be or feel free to pay us a visit at the following address: Avenue des Anciens Combattants 300, 1140 Evere.

The American Club of Brussels is one of the oldest American clubs in Europe, founded in 1921 to foster Belgian-American relations. Although our members comprise more than 20 other nationalities from all walks of life, the ACB retains its American flavor. Some of us are long-time residents in Belgium. Many of us are newcomers. We all enjoy ourselves and the club's wide variety of social and cultural activities.

The ACB is a great way to expand your circle of friends and to discover more of the delights of Belgium. Try us.
